

August 9, 2007

Hello,

My name is Zack Kantner and I live in the Norwin Community. My mom and dad are Scott and Lisa Kantner and my sister is Sarah. I'm 14 years old and will be in 8th grade this year at Norwin Middle School.

I am proud to share with you that I am a sponsored motocross team rider for our local Mosites Motorsports dealership on Route 30 in North Huntingdon. The owner, Doug Mosites offered me the sponsorship over a year ago and it has been just great! Together, we're working towards a factory sponsorship with Team Green of Kawasaki.

I enjoy the sport very much and know that dreams can come true if you work hard and believe in yourself. I know this to be true because my friend Adam Jones, who is also from the area, just won GOLD at the X-Games competing in freestyle motocross. It was very exciting to watch Adam reach his dream. I met Adam when I was 7 years old and we still stay in touch –even as he travels around the world competing in his sport. He has been a great inspiration and mentor to me.

A few weeks ago, I received some exciting news. I've been invited to participate in the World Finals of Amateur Arenacross racing in Las Vegas, Nevada on October 14, 2007. And then in November, I will be competing at the Mini Olympics hosted in Gainesville, Florida. What an exciting opportunity and you will be glad to know, I'm only missing three days of school to participate. School is my #1 priority and I plan to attend the University of Pittsburgh upon graduating from Norwin High School.

Mosites Motorsports is my #1 sponsor and are working hard to prepare my bikes for the upcoming races. Creekside motocross provides a facility for me to practice, 661, FLY, SPY, Pirelli and Renthal also provide gear and equipment and other local companies are supporting my efforts as well. You can see all my sponsors on my website at www.ZackKantner.com. Of course, my fellow competitors and friends challenge me at practice and on race day to become faster and faster each and every day.

I am writing to you today asking for your sponsorship in my upcoming events. I'm a hard working athlete with a big dream and am looking for your support. My parents and I have set up several levels of sponsorships for your consideration.

If you decide to sponsor my efforts at the World Finals and Mini Olympics, I will gladly add your name to my web site and proudly name you as a sponsor at both events in return.

Thank you for your support.

Sincerely, Zack Kantner
